

NILD MEMBERSHIP BENEFITS

Participants who have successfully completed one or more NILD Levels I, II, or III courses (in the United States) are eligible for NILD Membership. NILD Membership includes a license to practice as an NILD Educational Therapist and to use the NILD materials and methods taught in NILD courses. To remain active and licensed as an NILD Educational Therapist, NILD Membership must be renewed annually. See below for a complete list of NILD Member benefits.

Eligibility NILD Membership is available to individuals who have successfully completed NILD Levels I, II, or III courses and are current with annual member dues.

NILD AFFILIATE

Retired NILD Educational Therapists, teachers, college students, or others interested in learning more about NILD may become NILD Affiliates. Note: NILD Affiliate benefits include only the discounts on products and services listed below. All other benefits listed below are available only to active NILD Educational Therapists.
